Dear Sir:

Continental Aktiengesellschaft, a corporation organized and existing under the laws of the Federal Republic of Germany, is the assignee of record of the entire right, title and interest of, in and to the above-identified patent application by virtue of an assignment recorded in the assignment records of the United States Patent and Trademark Office at reel 014435, frame 0398, and has its office at Vahrenwalder Strasse 9, 30165 Hannover, Federal Republic of Germany.

Continental Aktiengesellschaft is also the assignee and the exclusive owner of the entire right, title and interest of, in and to United States Patent 6,726,189 by virtue of an assignment recorded in the assignment records of the United States Patent and Trademark Office at reel 012833, frame 0129.

On behalf of and for Continental Aktiengesellschaft, I hereby disclaim the terminal part of any patent granted on said patent application serial no. 10/616,994 which would extend beyond said United States Patent 6,726,189 and I hereby agree that any patent so granted on said patent application serial no. 10/616,994 shall be enforceable only for and during such period that the legal title to said United

States Patent 6,726,189 shall be the same as the legal title to said patent application 10/616,994, this agreement to run with any patent granted on said patent application 10/616,994 and to be binding upon the grantee, its successors or assignees.

The undersigned has reviewed all the documents in the chain of title of the patent application and patent identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned is the attorney of record herein and is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

Walter Ottesen
